Lost Key—Sets the Standard in the Golf Experience

For those who live for the experience and have a passion for the game there is no place like Lost Key Golf Club. Conveniently located minutes from the sugar sand beaches of Gulf Shores, Orange Beach and historic downtown Pensacola on the Barrier Island of Perdido Key.

Redesigned by the Arnold Palmer Design Group in 2006, the par 71 signature designed championship course features the premiere grass Sea Dwarf Paspalum from tee to green for the optimum in quality playing surfaces and green speeds. Each golf hole includes four sets of tees, and offers players of all skill levels a unique visual and strategic playing experience. Lost Key was the first golf course in the state of Florida and the world to be certified as an Audubon International Silver Signature Sanctuary. The project continues to protect the natural resources of the area while providing an excellent golf experience.

The new state of the art golf clubhouse features a full service golf shop, men's and ladies locker room facilities with lounge areas, restaurant and bar with indoor and outdoor seating with panoramic views the golf course. Lost Key Golf Club provides all the amenities and quality service of the finest private clubs, yet is open to the public. Golf outings and private social events are always welcome. The staff at Lost Key truly believes and practices that "The Customer Experience is Everything."
